

Southern California's Premiere Full Service Property Management Company

CALCO Management was formed in 2004, with CALCO's principals possessing more than 21 years of combined experience in Property Management. CALCO approaches property management as a "relationship business". At CALCO, we understand that communication is an intrinsic part of effective management. CALCO is a proven company dedicated to high standards of excellence and value. Our list of long-term clients only helps substantiate our claim of being one of the best in the field.

CALCO is uniquely focused on providing an ideal experience for the owners and tenants of commercial real estate. We give owners and tenant's this great experience by using over two decades of Commercial Property Management expertise. By choosing CALCO Management, you ensure that your investment is being managed by someone who has management as the primary focus of our business.

Principals of CALCO Management, LLC

Donna Ferrell, Broker, President, AMS, ARM, CRS, CMCA, AMS, GRI, CRB, RCC, ACoM, CCAM, CDPE,

Prior to becoming a principal of CALCO Management, Donna is a licensed real estate broker with 16 years of both supervisory and practical experience in real estate field. Donna is a Certified Manager of Community Associations and has extensive experience in the management of homeowner associations. Donna's strongest qualities are her solid ability in juggling multiple priorities, and delivering consistent, profitable results. Education is very important to Donna, and keeping up to date on the industry allows her to be a strong leader who pays close attention to details, yet still see the big picture.

Pam Pham-Le, Vice President

Ms. Pham-Le received a Bachelor's Degree in Accounting, and successfully moved up the corporate ladder throughout her career to hold supervisory roles in both Accounting and Information Technology fields, prior to joining CALCO in 2004. Ms. Pham-Le capitalizes upon her extensive knowledge of technology and business processes to help ensure efficient, effective, and trouble-free management. Her tenacity and dedication to her clients more than make up for her relatively short tenure in the Real Estate field.

What a Certified Manager Means to You

Only a select few community association managers in the state have met the criteria for being a Certified Manager of Community Developments. We are proud to say that we are one of the select few. Every community manager must be certified or on the certification track. This represents a higher standard, one that ensures effective community association management performed with the utmost professionalism and ethics. This has, and continues to be our goal and commitment to our clients, and feel confident that we can offer the most professional and innovative services available. See the "Code of Ethic for Both CACM and CAI in our proposal for details.
