

Thank You for Showing Our property

E-Mail is the best way to get a quicker response. It's just much easier and faster for our team to respond to e-mails than it is to voicemail. It also gives us the information in writing so there is less confusion.

All offers should be e-mailed or faxed to appropriate agent below.

*****Please note it is very important to let us know ASAP if you are going to be submitting an offer. Once the seller sees an offer they like they will accept unless we are expecting other offers. Please do not assume that just because you have addendums the seller will wait til days end.***
