Charles,

We can not thank you enough for all the help you provided in the selling of my mother's co-op. I think no other realtor would have done everything you did for us. You always answered our phone calls quickly and efficiently, if you didn't have an answer, you would look in to the problem and get us an answer.

We are full time residents of south Florida and thanks to you our selling experience was very pleasant. You went above and beyond our expectations of what a realtor does when you showed up with the moving company and make sure the move went smoothly.

I would definitely recommend you to anyone who is looking for a realtor.

Best regards,
