

CLIENT TESTIMONIAL

Hal Sweasey, assisted by the extremely competent Lindsey, acted as the perfect brokers in my purchase of a House on Figueroa St, San Luis Obispo.

They were in constant communication with me and handled every detail and question immediately and accurately. If they did not have the answer, they told me so & they went forward and got it. Most impressive was their energy & personal attention. They are very trustworthy and knowledgeable. They have my highest recommendation & gratitude for a job well done.
