CLIENT TESTIMONIAL

The SLD housing market proved to be a difficult terrain to navigate. We were so grateful that a house "off-the-market" was made available to us. Lindsey knew our wants and needs well enough to venture outside the MLS and find what we needed. We especially appreciated the help and advice that continued beyond closing. Lindsey did a great job facilitating repairs and concerns at our new home. We still feel that we could rely on Hal Sweasey's Sales Team for any future advice we may need.
