

Don't Forget

When you run across a property you would like to see, such as.....

- ▶ FSBO
- ▶ News Paper
- ▶ Real-Estate books and Magazines
- ▶ Web Sites
- ▶ Drive By
- ▶ Open Houses
- ▶ MLS Homes listed by other agents

We can get you more details and make calls to the agent or owner for you. Just give us the basic property description, MLS number, Ad number, Subdivision, etc.....and let us do the rest.

For Sale By Owner

Most For Sale By Owners will work with a agent bringing them a buyer. If you should see a FSBO that you are interested in, let us give them a call to set up a private showing.

Open House

Going to Open Houses is a convenient way for buyers to preview a neighborhood. If you plan to go to an Open House please take some of our cards and give them to the agent holding the Open House. As a rule Realtors honor buyers working with other Realtors as a courtesy. Remember the agent holding the Open House is representing the Sellers best interest - not yours!
