

WORKING WITH HOME BUILDERS

WHY USE AN AGENT TO PURCHASE A NEW HOME?

The advantages of having an agent help you purchase a new home are the same as those for purchasing a resale home...

- Knowledge of the market
- Help in finding the perfect home quickly
- Expertise in contract writing/negotiation
- Closing assistance.

The builder has a professional representative watching out for his/her needs, and you need the same expert representation.

Buying a new home is a little more difficult and time-consuming than buying a resale. I can professionally guide you through this process.

It is very important that your interests be professionally represented when you are entering into a contract for a semi-custom or build-to-suit home. These transactions are complex and the contract details must be exact in order to protect you and to ensure you get exactly the home you want!

REMEMBER the Builder requires that your Agent accompany you on your first visit to the Builder's sales office, or they will NOT PAY your representative's fee! Always take your Realtors business card with you when visiting the models.
